

Eastern States Exposition

A CENTENNIAL CELEBRATION

Sponsored by E. Cecchi Farms

Local historian David Cecchi, author of *The Big E: Eastern States Exposition*, will present a visual history of this local institution and its continuing impact on New England agriculture. In the century since the National Dairy Show opened there in 1916, much has happened (and continues to happen) on the Exposition fairgrounds across the Agawam River. They don't call it The Big E for nothing!
