**EXPERIENCED, WORKING PROFESSIONALS
NOW OFFERING ONLINE LESSONS IN GUITAR & MANDOLIN!**

Now that everyone has more time at home, it's an excellent opportunity to work on learning an instrument, or improving your skills.

We find so much solace and inspiration in our music that we love to share this passion with others.

We offer lessons that are tailored to each person's interests, creating a positive, encouraging and motivating experience with each lesson.

**We cover many styles and techniques.
What would you like to learn?**

From classical, folk, blues and rock, to popular songs, international styles such as Latin, Brazilian bossa novas and Celtic, to jazz chords and songs, strumming and fingerpicking.

- Theory, arranging and chord melody. -
- We provide sound files to practice with. -

We teach all levels -- from beginners to professional coaching.
